- 5-year limited warranty
- Models:

Cook 'N Cold — B1RRK

Hot 'N Cold — B1RRHS*

Available in
Cook 'N Cold
and Hot 'N Cold

NAUTICA specifications

Stylish contemporary design with the industry's revolutionary removable reservoir for easy cleaning.

Cabinet: One-piece, heavy-duty textured polycarbonate cabinet, designed to conceal scratches. Pre-drilled holes allow for simple cup dispenser installation.

Cold Water Refrigeration Unit: Convection cooled condenser. Internal, spring mounted, hermetically sealed compressor with automatic overload protector requires no lubrication. Refrigerant is controlled by a capillary tube.

Cold Water Thermostat: Temperature is controlled by an adjustable thermostat and easily accessible on the rear of the unit.

Cold Water Reservoir: Durable heavy-duty plastic removable reservoir with refrigerated molded probe that chills water.

Two-Piece Hot Water Tank: 500 watt easy to service heating element. Hot tank is a type 300 series stainless steel and can be easily opened for cleaning and removal of mineral deposits. Individual components can be replaced when needed, minimizing the need to replace the entire hot tank.

Hot Water Capacity: 45 x 6oz. cups of piping hot water per hour. 1½ quart storage tank.

Hot Water Thermostat: Adjustable thermostat with safety limiter.

Hot Water Safety Faucet: Self-closing activation requires a two-step action that's easy for adults to use, but protects small children.

Drip Receptor: Durable drip tray lifts out for easy removal and is dishwasher safe.

Electrical: 115 volts, 60 Hertz. 1/20 hp water cooler compressor. Three wire service cord and polarized plug.

Dimensions: W 13 1/8" x D 13 -" x H 38 3/4"

Approximate Net Weight: 45 lbs.

Cold Water Capacity Table

Room Temp	Water Temp	Gallons per hour at 50°F
70°F	70°F	1.2
80°F	80°F	1.0
90°F	90°F	0.6
100°F	100°F	0.5

Lead-Free: Components in this water cooler are lead-free as defined by the Safe Drinking Water Act Amendments of 1986 and the Lead Contamination Control Act of 1988. Model Listed by Underwriter's Laboratories to U.S. and Canadian Standards.

Warranty: Limited 5 year warranty (*within the Continental Limits of the United States and Canada*). Five years on the sealed refrigeration system, one year on most component parts. Detailed warranty certificate enclosed with each water cooler; sample copy available upon request.

* *Only the Hot 'N Cold Model B1RRHS is Energy Star Rated.*
